swell-productions.com in association with the sacramento jazz jubilee presents

AN EVENING OF HOT JAZZ, CLASSIC BLUES & SWING WITH...

NYC jazz-blues vocalist plus the worldwide debut of...

Catherine Russell

The Little Charlie Baty Caravan

as heard on NPR's "fresh air" with terry gross

"Traversing the rich, alluvial terrain between the poles of blues and country swing, **Catherine Russell** charges and shimmys through barrel-house and society cabaret alike,taking us to the rooms where jazz was born"

- Jackson Browne

"From Charlie Christian-like jazz to Chicago blues to West Coast swing and rockabilly, **Little Charlie Baty** has all the genres mastered. He seamlessly blends various elements into a guitar sound that is his alone...one of the most fluent guitarists working in any genre."

- Village Voice
